Mission Flash # 12-08

April 15, 2008

## Mission Nicaragua

On Saturday 11 April 2008 Dona boarded a plane in Bangor, Maine beginning another adventure in Nicaragua.

This trip will provide ministry in many mountain Church of Christ Nicaragua congregations and renew friendships that we made while visiting these pastors in Jan 07. On Friday the 18<sup>th</sup> she will travel with Luis Diaz, our church planter, to our three congregations that are south of the City of Managua near the shores of Lake Nicaragua. Dona will live with our church family in Diriomo and will travel between congregations working with the children using Bible School and Gospel Wagon material. In the afternoons she will have discussion groups of the youth and young adults that will center on the idea of "A Disciples Generous Response". A young man we met last year, Lennin, will serve as her translator in all her visits with the Community of Christ congregations. When I receive updates from her I will pass them along.

This trip was made possible by many friends and family that support our vision of reaching out beyond our comfort zone to provide ministry and help others experience the Living Christ as we have in our lives.
