Mission Flash # 2-08

Feb 19, 2008

Hospitality Center

The Jonesport, Maine congregation is in the initial stages of researching and developing a *Jonesport Hospitality Center*. The purpose of the concept is to provide a safe and welcoming place that Mission Teams, from other congregations and denominations, can use while they are providing Mission driven ministries in local communities in Down East Maine. The hospitality center will offer space for small groups, up to 20 people, to live while assisting local churches with mission activities that help poor/elderly/disabled families or persons in the local area. It is hoped that the center will host three groups in 2008 and possibly more in years to come. Services that the center will offer are meals, sleeping space, bath/shower facilities and space for evening activities and worship.

The opportunity to be involved in Mission often comes in the most unusual ways. Instead of re-inventing the wheel, the Hospitality Center will provide Mission support for groups – bringing help to the Jonesport/Downeast area, fulfilling a much needed service to visiting groups from all over the country that sense a call to mission in the name of Jesus.
