## Bibles arrived in Nicaragua

Three Mission Center Congregations, New Haven, South Addison and Machias, committed to supply Spanish Bibles for our three Community of Christ congregations in Nicaragua. The bible project was a result of our visit last January to those congregations and was coordinated through the World Church with money sent to the church planter, Luis Diaz, in Diriomo. Luis visited many of our congregations last August and September during his visit to New England. The Bibles were purchased through our friend in the Inglesia de Cristo (Church of Christ, Miguel Lezama. Miguel was our translator, driver and overall coordinator of our January 07 trip. He has become a good friend of the church and has often contact with Luis and Pastor Ricardo in Diriomo. The arrival of the bibles was a time of celebration. Each bible was noted with the donating congregation and the name of the family receiving it. There will be a need for more bibles this summer for the Migrant work season, any congregation that want to help just give me a call for more information.
