

New England Mission Center  
Congregational Support Ministry  
*Mission Flash*

*Mission Flash* will be sent when a Mission related event happens around our Mission Center. This is to keep you up to date on the many exciting things that are happening in our congregations. Please make sure that a copy of this *FLASH* is posted on you congregational bulletin board.

*Apology: I am sorry for the flood of Flashes as I begin to better communicate the Good News of our Mission Center. After Flashes 6 and 7 I will be caught up and will send only current updates. It is my intention to limit Flashes to no more than one (1) per week. It is wonderful that we have so many wonderful things happening in our midst.

## Staff Meeting in Netherlands

In November of 2007 the Mission Center staff participated in the Apostle's field wide staff gathering at Dalfsen, in the Netherlands. This was a first, Apostle Len Young's staff from Russia, Hungary, Ukraine, United Kingdom, Europe, and the North Atlantic field met in one location for discussion, planning and visioning of mission opportunities and possibilities that exist within the apostolic field. Presentations were given by the Presiding Evangelist, President of Quorum of High Priest and Field President of Seventy. Each Mission Center presented their plans for Mission Outreach in response to the guidance we have received in Doctrine and Covenants Section 163.

Thank you for your help and support.
